Dear: Parents/ Guardians

Thank you for choosing to use Good Samaritan Care OSHC service at Good Samaritan Primary School. Good Samaritan Care aims to deliver a high quality and affordable child care services for all families within the school & community. Our service operates as a not-for-profit program. The last fee increase was in June 2018. Due to an increase in operating costs, & costs of living, every effort of trying to keep child care rates as low as possible. The difficult decision was made by Paul Sedunary and myself to raise the fees.
