

Community Bulletin: Lockdown Update

No 4/21

Monday, 15 February 2021

Dear Parents and Carers,

I hope that the first few days of this short lockdown period have not been too disruptive to your family. Fingers crossed that we can return to school as planned on Thursday and resume what has been a great start to the school year.

In an effort to maintain learning continuity for your child(ren), teachers are today preparing learning at home activities for Tuesday and Wednesday.

These activities will be made available to you and your child via SeeSaw.

The first of the learning at home activities will be available on SeeSaw from 11.00am tomorrow morning and again at 9.00am on Wednesday.

Further learning at home resources are also available by clicking the [link](#) provided in this skoolbag post or by going to <https://sites.google.com/gsroxburghpark.catholic.edu.au/learning3/home>

Please note that we are not entering into a full online learning programme, such as was experienced last year. Therefore, we will not be sending home learning packs, nor will we be loaning out ipads and laptops. This response is a short-term measure just for this week.

Do not feel under pressure if your child cannot do every activity, do as much as you can and as your family situation allows. Do not hesitate to contact your child's teacher if you have any questions.

I have attached a copy of the email address for each class.

While I expect that we will return to normal on Thursday, I am closely monitoring the announcements of the Victorian Government and will advise you should there be any change to the timing of the lockdown.

Of course, should you or any member of your family display any symptoms, no matter how mild, you must get tested.

Kind regards,

A handwritten signature in blue ink that reads 'Paul'.
